## PROFILE:

**DMD Legal Consultants** is providing legal services of the highest calibre by offering creative, effective and efficient solutions to facilitate client's business. DMD Legal Consultant's team has an excellent reputation for the quality and punctuality of services, as well as for their strict ethical standards. DMD Legal always is associated with companies and consultants of various scopes of professions.

DMD Legal Consultants as a law firm guarantees to provide the best innovative legal solution which meets our clients need. The firm was created on this present era and within this little age it proved its efficiency by personal attention, responsiveness, and sincerity to its clients and benefited them. Our responsible and expertise team have a deep knowledge for delivering the highest standards of service in the speediest manner. We have a growing network with associate firms and have strong working relationships with well-renowned companies.

DMD Legal Consultant's clients earn benefit from a firm small enough to allow easy access to all of its lawyers including the associates, whilst being large enough to guarantee excellence and immediate response to all inquiries. When appropriate, DMD Legal effectively co-ordinates with the subject matter expertise of other professionals with whom we are having an established professional and jovial relationship. Whatever the size or nature of the task, our clients are just assured by our service to find out solutions to their problems in an efficient, expeditious and cost-effective manner. We are driven by our belief that soon we will be one of the topmost legal firms by our efficiency, dedication and focus for work.

## OUR VISION:

- One window legal solution for everywhere-everything-anytime
- Compact, systematic and in an organized manner
- Support like 'Self- Service'
- Guaranteed excellence and immediate response with the quick delivery of assignments

## **AREAS OF PRACTICE:**

DMD Legal Consultants welcomes the opportunity to work with its established clients and provide legal consultancy in its jurisdiction at present all over India. The legal services of DMD Legal Consultants encompass the following areas:

**REAL – ESTATE**  
**LITIGATION**  
**INTELLECTUAL PROPERTY LAW**  
**IMMIGRATION:**  
**CONSUMERS FORUM:**  
**BANKING & FINANCE:**  
**ARBITRATION**  
**TELECOM**  
**LEGAL PROCESS OUTSOURCING**

## REAL – ESTATE

- We specialize in top-level transactions for local and national clients investing in the **Real Estate** sector of India, especially in the eastern zone. We provide for a full range of integrated services, particularly on typical ancient documents/deeds in the vernacular language of Bengal and various searching required to be conducted in relation to a particular property.
- We have been able to achieve a considerable reputation in the field of Real Estate Practice, particularly in the areas of Land Acquisition matters.
- We provide compensative advice and legal services on all real-estate matters, including (but not limited to) the following areas:
  - Land Acquisition / Property Purchase.
  - Legal Due Diligence & Report on Title
  - Property Registration
  - Drafting of Several documents including but not limited to Agreements/Deeds, Lease /Sub Lease Agreement, Leave & License Agreement, Tenancy Agreement, Franchise Agreement, Concessionaire Agreement, Agreement for Sale, Partnership Deed, Legal Notice, Letter of Intent, Indemnity Bond, Power of Attorney, Assignment Deeds, Deed of Partition, Deed of Mortgage, Will, Deed of Gift, Deed of Settlement, Affidavits, MoUs and other documents relevant in dealings of property matter.
  - Project Documentations.
  - Bulk Flat Registration.
  - Mutation & Conversion of land.
  - Pre & Post Compliances with Government Departments of Land Acquisition.
  - Formation of Flat Owners' Association.
  - Complete Legal Audit.

## TELECOM

We have extensive experience in dealing with the Telecom sector. We have been able to provide effective advice and assistance to several prominent companies to various Lease Agreements, Licenses, Deeds of Conveyances and other such documents relating to the management of the property, Consumer Forum Matters, Civil Matters, Vendor contracts, legal audits and other related matters along with several Tower related issues.

## ARBITRATION

We have a wide range of experience in Alternative Dispute Resolution (Arbitration) matters too. We deal with all matters coming under the purview of Arbitration and Conciliation Act, 1996 by providing the following services:

- Representing our clients in Arbitration.
- Approaching the Court for obtaining interim orders which include attachments, injunctions, seizures, garnishee orders etc. to secure the amount awarded in the dispute.
- Approaching the Court for the appointment of Arbitrator(s).
- Challenging the validity of Arbitration.
- Challenging Arbitral Awards.

## **BANKING & FINANCE:**

- Banking and finance are one of DMD Legal Consultant's core and highly recognized areas of expertise. Clients trust our Banking lawyers to take a practical and business-oriented approach to achieve their objectives. The practice is especially praised for its accessibility and responsiveness and its ability to work well with international firms and clients.
- Our full suite of services range from project finance, trade and export finance, working capital, acquisition finance, corporate finance, syndicated lending, structured finance, debt capital markets, securitisation, regulatory advice, product documentation and standardization, revolving credits, guarantee facilities, project finance across all Infrastructure & Energy sectors, real finance including structured lending, secured property lending and property securitization, asset and trade finance, securitization, derivative transactions and structured finance, corporate debt restructuring, asset reconstruction and schemes of arrangement.

## **CONSUMERS FORUM:**

- The effects of modern technology and new digital communication channels make the consumer aware of his rights, and unafraid to defend them when a product/seller has behaved in an unfair manner. The exercise of the Consumer Protection Act, 1986 has become increased with the rise of the information age and serves as a Consumer resource and grievance redressal system.

- In accordance with the spirit of the consumer protection act, the firm actively deals and handles numerous matters pertaining to this Act and overall consumer protection,
- representing various individuals to redress their grievance by approaching the right forums. The lawyers at our firm are well versed with the aspects of consumer law and the nuances therein, and the firm is conscious to the fundamental that the consumer must not only be aware of his right but should be able to safeguard them and fight for them, if and when required.
- Keeping this spirit of the Act alive, the firm also provides free legal aid to deserving persons who may not necessarily be able to afford the same, through various charitable organizations..

## **IMMIGRATION:**

- DMD Legal provides assistance to its clients on various issues pertaining to work permits, tourist visa, medical visa and business visa for foreign nationals coming into India.
- The investment scenario has changed the practice and need of service in this area. The firm advises clients on Business Immigration and assists expats in getting their work permits in India. The lawyers in the firm keep the clients abreast of changes in the immigration regulations; provide all the requisite knowledge of the alternative visa options available to the client. We assist on various immigration and non-immigration related issues, advisory relating to the nationality law as far as foreign nationals are concerned, issues of citizenship, temporary visa and work permits and residency permits are also dealt with.

## INTELLECTUAL PROPERTY LAW

- DMD Legal provides the complete range of services in the field of trademarks, copyright, designs, patents, domain names & internet related IP issues, confidential information & trade secrets, geographical indications, new forms of statutory intellectual property including filing and prosecution of applications including applications under the Madrid treaty, oppositions and cancellation proceedings; searching and watching services; renewals; drafting of licenses, assignments, registered user agreements, franchise agreements; IP audits and initiating and pursuing civil, criminal and administrative enforcement actions.
- Over the years, the Intellectual Property practice has built a large client base which includes Indian corporations, research institutions, universities and individuals.

## LITIGATION

- We play an active role in litigation as well. We deal with commercial disputes across the entire range of contractual transactions. We also deal with property, real estate and construction-related litigations/claims of all kinds. We handle Consumer matters proficiently.
- We believe our expertise and experience has been able to provide significant benefit to our clients, who often demand that their work is completed with immediate urgencies, such as, in cases where our clients seek interim measures to protect their assets within the jurisdiction of the Courts of West Bengal. Generally, pursuing the most appropriate interim remedies.

## LEGAL PROCESS OUTSOURCING

- Legal Process Outsourcing (LPO) refers to the practice of a law firm or corporation obtaining legal support services from an outside law firm or legal support services company (LPO provider). Cost and time zone is the major reason and the benefit is already known to all. A Law Firm understands the needs better than just the corporate involvement in it and gives more quality work in a cost & time effective manner. If you are Law Firm, individual Lawyer or Corporate, you save cost, increase productivity without compromising quality and time which helps you to grow and cater more clients. DMD Legal helps you to concentrate on more important work and explore new fields of legal practice. DMD Legal Consultants consists of a number of attorneys those who are having vast experience in the outsourcing sector:
